Matthew 24:37-39 (NASB 2020) For the coming of the Son of Man will be just like the days of Noah. The Massive Deception of The Creation Story of The Bible

Scientism is an amalgam of true science, pseudo-science, philosophy, and theology masquerading as science, and despite the fact that scientism intentionally misrepresents the truth, it claims exclusive right to all truth in the world and the Universe. Scientism vitiates the scientific method requiring objective experiments, testing, and observation, and is self-refuting since it requires its adherents to assent to beliefs that violate its own stated requirements for knowledge. Consequentially, scientism has become a political, economic, social, and spiritual force deconstructing the truths of the Bible, starting with God's story of how he created the heavens and the earth in Genesis and twisting God's revelation of himself all the way through the Bible to the very end in Revelation 22. The chief aim of scientism is to convince mankind that God does not exist. [Scientism in Church Pulpits]

Jesus answered, "See to it that no one deceives you. For many will come in My name, claiming, 'I am the Christ,' and will deceive many." Matthew 24:4-5 (BSB)
